Key findings

- Your Google Business Profile is under-optimised. Complete the profile with your full service area, categories, and hours, aim for 15+ Google reviews, and post updates weekly.
- Investigate unmapped citation source: Zomato — cited for competitors in 3 neighbourhoods
- They have dedicated pages for 3 neighbourhoods. You have one generic page — publish dedicated pages.
- Add FAQPage schema to every page — this makes it far easier for AI assistants to lift answers directly from your site.
